The following is listed on the accompanying PTO/SB/08 and is in a non-English language:

**JC17 Rec'd PCT/PTO 14 JUN 2005**

1. European Patent Application No. 0 981 812 B1 - The relevance of this document is discussed at page 10 of the specification of the present application. An english-langiage translation of the claims is found in columns 9-11 of the document.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed documents are material or constitute "prior art." If the Examiner applies any of the documents as prior art against any claim in the application and applicants determine that the cited documents do not constitute "prior art" under United States law, applicants reserve the right to present to the Office the relevant facts and law regarding the appropriate status of such documents. Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.
